Therapeutic Riding

Joey and Sugar Bear

As an individual w multiple disabilities my son has become a more rounded person, emotionally, physically and developmentally. This interaction as a whole has taught Joey responsibility, compassion, gentleness, patience, appropriate behavior, appreciation and self awareness. Sandra R.

We have created a relaxed environment that is favorable to a peaceful, harmonious relationship with the horse. Individuals are encouraged to observe their surroundings to learn from the horse respect and mutual trust, creating a constructive foundation for communicative relationships with their families and peers.
